# Past elegance meets **today's savoir-faire**

**The Philips Hadco New London post top luminaire** has an elegance that accentuates the majesty and style of many urban architectural designs. It offers the style of traditional lanterns with today's cutting edge LEDgine technology. The optional cast aluminum spikes provide additional detailing to create the look you need. New London's heavy-duty cast aluminum construction, combined with precision sealed optics, will stand up to the most demanding applications making it the perfect post top LED solution for traditional street lighting and more.

# New London

## Post top LED luminaire
