* - Si l'appareil est installé dans un faux plafond fermé, la face extérieure du produit devient IP44.

- If the luminaire is fitted in closed false ceiling, the exterior part of the product satisfies IP44.

- Wenn das Produkt in eine geschlossene Decke eingebaut ist, erfüllt die Leuchte die Anforderungen der Schutzart IP44.

- Indien het armatuur ingebouwd wordt in een gesloten vals plafond verkrijgt men een IP44 oplossing.

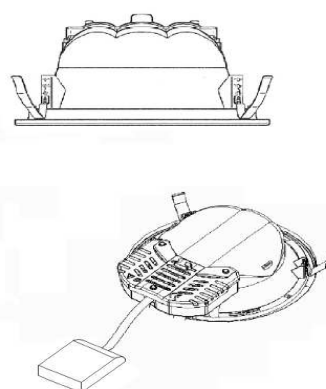

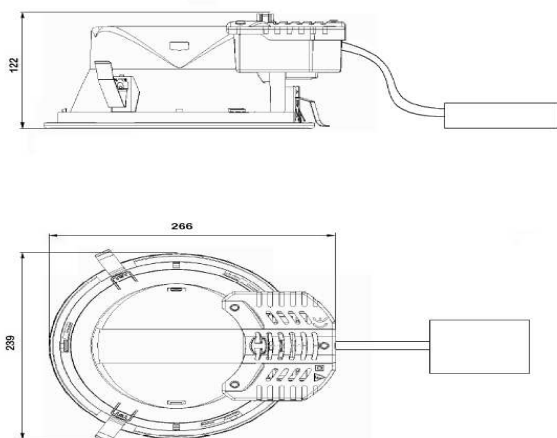

- Installando l'apparecchio in un controsoffitto chiuso si ha un grado di protezione di IP44 valido per il lato esterno.

- Si el producto esta instalado en un falso techo cerrado, entonces la parte exterior de la luminaria alcanza un IP44.

- Om armaturen är installerad i undertak, det uppfyller yttre av aramturen skyddsklass IP44.

- Jos tuote on asennettu alakattoon, valaisimen ulkopuoli täyttää IP44 - luokituksen.

- Jeśli produkt jest zamontowany w zamkniętym suficie podwieszanym, oprawa od strony zewnętrznej posiada stopień ochrony IP44.
