

CitySwan Wall – stylish and discreet

CitySwan Wall

Being part of the CitySwan family designed by Danish architects Bjarne Schläger and Morten Weeke Borup, the CitySwan Wall luminaire has a stylish, discreet, graceful appearance. The luminaire provides downward functional surface light from high-performance LEDs with incredibly low energy consumption, and can also be used as an up-light under e.g. baldachins or archways. It is made of dark grey die-cast aluminum, and the housing has a characteristic ellipsoid shape familiar from the CitySwan road luminaire. CitySwan Wall comes with a choice of three different optical covers: a transparent flat cover for the slickest design, a convex transparent cover for a more elongated light distribution and a flat, opal cover for optimum uniformity. Nominated for the German "Designpreis" in 2009; Danish Design Award 2010/2011. Design: Bjarne Schläger, light + architecture, and Morten Weeke Borup, GHB Landskabsarkitekter A/S.

Faydaları

- Stylish and discreet
- Choice of three different optical covers
- Incredibly low energy consumption

Özellikler

- Ellipsoid housing
- High-performance LEDs
- Downward functional surface light

Uygulama

- Urban environments

Versions

Onay ve Uygulama

Mekanik çarpışma koruma kodu	IK10
------------------------------	------

Kontroller ve Dimming

Dim Edilebilir	Hayır
----------------	-------

Genel Bilgiler

CE işareti	CE mark
Renk seçeneği	Black Noir 200 Sablé
Işık kaynağı rengi	740 nötr beyaz
Tertibat dahildir	Evet
Lamba ailesi kodu	LED-HB
Değiştirilebilir ışık kaynağı	Hayır
Tertibat birimi sayısı	1 unit
Işık kaynağı sayısı	1
Ürün Ailesi Kodu	BWP445

Başlangıç Performansı (IEC Uyumlu)

Başlangıçtaki Renk Sıcaklığı	4000 K
