Lighting

Latina – simple and effective

Latina FBH024

Latina is a recessed downlight for compact fluorescent PL-C lamps, with spring fasteners for easy and quick installation. Square and round models are available. Latina comes in ready-to-install kit versions, including lamps and pre-connected separate gearbox. The round models are available in glass versions (frosted glass or clear decorative glass) or in open versions. For the open versions, the same glass designs are available as accessories (to be ordered separately). The square versions are always with glass.

Benefits

• Easy to install and connect: all-in-one kit

Features

• Square and round models
• Frosted or clear decorative glass

Application

• Shops
• Offices
