

MEGALUX – Extensive functionality

Megalux TCS912

Featuring an elegant, compact design, Megalux luminaires are specially designed for use with TL-D tubular fluorescent lamps of 16 or 32 W. Ideal for indoor use such as in offices or commercial areas. Available in recessed and surface-mounted versions, they can be recessed in any type of ceiling (plaster or paneled). Two optic options provide the freedom to create projects that are fully integrated into the environment while also providing efficient and economical lighting. They are easy to install and the ballast is accessed from below without the need to remove the luminaire from the installed location.

Benefits

- Functional and convenient for easy application and quality of light
- Wide range of optics for different uses and effects
- Easy installation and maintenance

Features

- High-gloss aluminum reflectors
- Two wing options: C1 or C5
- Perfect light distribution that enhances your project

Application

- Offices
- Buildings
- Schools
- Universities
- Libraries
- Shops
- Hospitals
