

The ideal combination of extra-long life and highest efficiency

MASTER TL5 High Efficiency Xtra Eco

TL5 High Efficiency Xtra Eco lamp (tube diameter 16 mm) provides the ideal combination of extra-long life and extra energy savings via simple lamp-for-lamp replacement of TL5 HE lamps, without any compromise on the high lighting quality.

Benefits

- The longer product lifetime lowers maintenance costs and facilitates the change from spot to group replacement, while at the same time reducing waste and disposal cost.
- Up to 10% energy saving
- The same quality of light as from MASTER TL5 HE lamps

Features

- High lamp efficacies up to 114 lm/W
- Up to 10% power reduction and double the lamp life compared to standard MASTER TL5 HE

Application

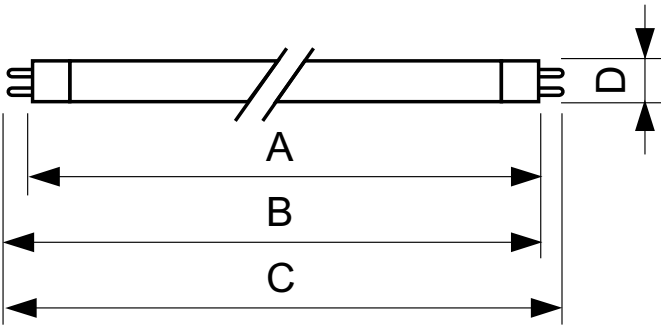

- All current TL5 HE applications, e.g. offices, schools, supermarkets, industry

MASTER TL5 High Efficiency Xtra Eco
