

All-weather performance and reliability

Outdoor Weatherproof (79W)

Outdoor weatherproof ballasts are designed for remote mounting outdoors under all weather conditions. They may also be placed inside a pole base, but care must be taken to avoid areas prone to flood situations as they are not water submersable.

Benefits

- Ballast is suitable for use in most outdoor weather conditions
- UL Listed for operation remote from the lighting fixture

Features

- Integral 1" threaded nipple with locknut facilitates hook-up to electrical conduit or to the mounting bracket when used on a pole

Application

- Billboard, road sign lighting, and some outdoor sports facilities, such as tennis courts

Outdoor Weatherproof (79W)
