

# CitySpirit brackets – Streetwise

## CitySpirit, brackets

These brackets are dedicated to CitySpirit luminaires. Their distinctive design ensures perfect integration of the luminaire into the urban environment. The individual parts are not welded, allowing disassembly for recycling and preventing any visible welding lines (important for brackets installed at low mounting heights). The bracket is painted after assembly to ensure perfect finishing and features a wire guide for fast and easy installation. The standard color is Philips Ultra Dark Grey; other colors are also available upon request.
