

# Energy Saver Compact Fluorescents - Going green never looked so good.

## Energy Saver 3-Way

Looking for an energy saver that does not look like one? The Philips EnergySaver family provides energy efficient lighting options that don't just provide similar light as your standard incandescent light bulb, they also have the same classic shapes. Try the Philips EnergySavers and see how they truly provide advanced lighting designed around your needs.

### Benefits

- Philips Energy Saver 3-Way Twister provides energy savings and reduced operating costs without sacrificing quality of light compared to standard incandescent equivalents.
- Save 39/77/116 watts in your 3-way lamp when you replace a 50/100/150 w incandescent 3-way with Philips 11/23/34 W Energy Saver 3-Way twister.
- Energy savings and long life can impact your bottom line.
