

Create your own atmosphere - in-a-box solutions

SSL Controls

ColourChaser is a range of simple, easy-to-use lighting control solutions that enable users to create their own lighting ambience. Providing out-of-the-box functionalities, Philips' user-friendly control solutions are ready for use directly after installation. Even users with minimal technical background can install and operate these 'in-a-box solutions'. With the ColourChaser family, it is possible to directly set a color, dim, or create one's own color sequence, simply by pushing a button or turning a wheel.

Benefits

- · Set-and-forget operation
- · Ability to download and play custom shows
- · Ultra-compact and lightweight

Features

- · Shows loop automatically no trigger or additional configuration required
- · Choice of six configurable effects
- · Download and play custom ColorPlay 3 light shows
- · Weight of only 87 g and a small footprint
- Includes a removable 2 GB microSD card, generous enough to store a lengthy or complex ColorPlay 3 light show

Application

 Small to medium-sized installations with dynamic RGB or dynamic white DMX controllable fixtures
