PHILIPS Lighting

Vaya Tube – A reliable and costeffective LED lighting fixture designed for dynamic colorchanging or monocolor lighting effects

Vaya Tube

Vaya Tube is ideal for exterior accent and contour lighting applications, as well as for low-resolution graphics with a resolution of up to 150 mm (6 inches) per pixel. Up to 20 fixtures can be connected in two linear runs of 12 m (39 ft) per control module. Ethernet as well as standard DMX512 control make this product easy to use with Philips Color Kinetics or third-party DMX controllers.

Benefits

- \cdot Small form factor and lightweight
- \cdot Up to 20 fixtures (1.2 m / 4 ft) in two runs
- \cdot Reliable and cost-effective
