

Ancestra – combining the best aspects of past and present forms with the best that modern technology has to offer

Ancestra Pendant (AT50)

Built to perform, its eye-catching design will set your project apart. The Ancestra luminaire presents a new twist on an old-fashioned design. By combining the most popular aspects of past and present forms with the best that modern technology has to offer, the Ancestra epitomizes Lumec's design philosophy beautifully: to combine superior LED technology with an elegant design.

Benefits

- Ensures optimal photometric performance in the most demanding environmental conditions
- Reduces glare
- Minimizes deterioration of the optical system
- LEDs provide up to 50% energy savings and considerably longer life
