

Ancestra - combining the best aspects of past and present forms with the best that modern technology has to offer

Ancestra post top (AT10-AT20-AT30-AT40)

Built to perform, its' eye-catching design will set your project apart. The Ancestra luminaire presents a new twist on an old-fashioned design. By combining the most popular aspects of past and present forms with the best that modern technology has to offer, the Ancestra epitomizes Lumec's design philosophy beautifully: to combine superior LED technology with an elegant design. ~LT~http://www.lumec.com/Lumec3Dv3/home/index_en.php~GT~LT~b~GT~Lumec3D: Online 3D Configurator~LT~b~GT~LT~/a~GT~

Benefits

- Ensures optimal photometric performance in the most demanding environmental conditions
- Reduces glare
- Minimizes deterioration of the optical system
- LEDs provide up to 50% energy savings and considerably longer life

Features

- Smartseal IP66 optics
- Uses a unique combination of reflectors and internal prism refractors
- Self-cleaning refractor and lens surface
- Compatible with the latest LED platforms
