

Stylish with clean lines

Arioso Recessed Air

Day-Brite / CFI Arioso Recessed Air offers air handling capabilities along with all the benefits of the standard Arioso. Through integrated side slots, this luminaire incorporates the air handling feature without disturbing the simple clean lines and soft natural illumination that is the foundation of the Arioso recessed family

Benefits

- Architectural recessed direct/indirect lighting for glare free illumination
- Suitable for row mounting

Features

- Offers air handling capabilities
- Soft white baked enamel finish
- Fully recessed mounting
- Swing down lamp shields for easy relamping

Application

- Office
- Banks
- Hospitality
- Fashion
