

Stylish with clean lines

Arioso Recessed Side Basket

The Day-Brite / CFI Arioso Recessed Side Basket offers a distinctive approach with the emphasis on the overall integrated look of the ceiling rather than on the luminaire itself. Increasing the perceived volume of a space, this luminaire is ideal for lower ceilings and smaller spaces such as private offices and break out areas. It provides balanced illumination to work within any architectural style.

Benefits

- Architectural recessed direct/indirect lighting for glare free illumination
- Suitable for row mounting
- Side-mounted perforated shields project light to reflector for indirect light

Features

- Soft white baked enamel finish
- Fully recessed mounting
- UL listed for damp locations
- Swing down lamp shield for easy relamping

Application

- Office
- Banks
- Hospitality
- Fashion
