

Consistent visual comfort, unsurpassed optical control and extraordinary mechanical precision

Calculite LED 3" Evolution

Optical performance is only part of the Evolution story. In today's demanding visual environments, downlights must not only be functional, but aesthetically pleasing as well.

Benefits

- Matte black housing interior eliminates brightness inside of fixture
- Exclusive EZ-Aim gear-driven adjustment provides hot aiming and locking with unprecedented speed and accuracy
- Adjustments are set while the light engine is powered, reducing the time required to aim the fixtures by up to 50% compared to conventional designs

Features

- Five beam spread options
- Fresnel Spot, Spot, Narrow Flood, Wide Flood, and Flood
- Adjustable trims feature hot aiming and locking with 360° minimum horizontal rotation and up to 40° vertical tilt
- Residential and commercial frames come complete with pre-installed, telescoping mounting bars

Calculite LED 3" Evolution

Application

- Office
- Banks
- Hospitality
- Airports
- Fashion
- Residential
