

DCL1 - design-enhancing illumination

DCL1 Deck Light Series

The DCL1 Brass deck light is a die-cast brass low voltage deck light made from cast brass with stainless steel fasteners. Optics includes a 10W maximum T3 bi-pin lamp and frosted, annealed glass lens and stamped specular aluminum reflector. Energy saving LED is available to ensure even light distribution and long life. The 12 volt fixture is pre-wired with 6-ft. pigtail for easy installation.

Benefits

- Ensures long-lasting durability
- Offers up to 50,000 hour life with LED
- Provides added corrosion resistance
- Completely dust-tight and sealed against direct jets of water
- Quick and easy installation

Features

- Die-cast brass housing
- Available with warm or cool LEDs
- Natural brass finish
- IP67 rated
- Pre-wired

Application

- Landscape
