

Architectural and unobtrusive

Fusion Recessed Remote Unit

The Fusion Remote is a fully recessed architectural, remote lighting unit. Like the original, the Fusion Remote is suitable for wall or ceiling mounting.

Benefits

- · Aesthetically appealing and designed for architectural excellence
- · Multiple mounting options means flexibility for different needs
- Designed for increased protection against incidental or intentional abuse

Features

- · Backbox constructed of 2 gauge galvanized steel
- · Flush cover and diffusers constructed of impact resistant polycarbonate
- · Suitable for wall or ceiling mounting

Application

· Exit and Emergency
