

Adorn your space

Hagerstown LED post top (TX03)

Hadco's Hagerstown LED post top gives you the ability to create a unique style through our modular post top concepts to blend into any residential and historic urban settings. With the latest LED technology you can seamlessly replace traditional HID technology to maximize energy savings and significantly reduce total cost of ownership. The Hagerstown luminaire provides excellent uniformity, traditional customizable look, with the benefits of modern technology.

Benefits

- Offers design flexibility with a variety of pods, finials and finishes
- Multiple distribution options and lumen packages suitable for several applications
- The Optical Rib globe disperses light for more uniform coverage while virtually reducing glare
- IP66 rated optical chamber and LED driver ensure lasting durability and reliability
- Dimming controls available for additional energy savings during off-peak hours

Features

- Low-copper spun aluminum roof
- Optical Rib Technology globe
- 120-277 or 347-480 VAC driver, 350 mA, 50/60 Hz auto-sensing
- 10kV/10kA surge suppression, <3kV built into drivers
- Programmable 0 - 10V dimming

Application

- Parks and Plazas
