

Helios - a new twist on a classic shape

Helios Cobra Head (HBM)

A new twist on this classic and recognizable shape yields a stately architectural achievement. The bold shape and clean lines of the luminaire enhance the design while the interior of the luminaire showcases a tool free access system and IP66 optics which assures ease of maintenance, optimal photometric performance, and long life. Highly decorative and providing design versatility with a variety of mounting options, the distinctive all aluminum housing of this luminaire is produced from an alloy with a low copper content that assures a longer life. It has been designed to provide superior mechanical resistance to vibrations and wear under extreme conditions. The Helios is the perfect luminaire for high-traffic projects such as highways and city streets. ~LT~a href="http://www.lumec.com/Lumec3Dv3/home/index_en.php" target="_blank"~GT~~LT~b~GT~Lumec3D: Online 3D Configurator~LT~/b~GT~~LT~/a~GT~

Benefits

- Quick and easy maintenance
- Optimal photometric performance
- Long life
- Design flexibility
- Ensures lasting performance in harsh environmental conditions

Features

- Tool-free access to internal components
- Quick disconnect between lamp and ballast tray
- Smartseal IP66 optics
- Available with a variety of optical distributions
- Low copper content all aluminum housing

Application

- Road and Street
