

MU5 - beautifully illuminating walkways for safe navigation

MU5 Path Light

The MU5 path light luminaires feature classic mushroom styling and a graceful appearance making them suitable for most applications. Designed as a spread light, these luminaires produce a uniform light pattern with no objectionable glare. Construction choices include aluminum or Solid brass stem die-cast brass. Available with both conventional and LED technologies.

Benefits

- Ensures long-lasting durability
- Easy maintenance
- Fade and abrasion resistant
