

Enhancing your project's unique style

Traditional Poles (R40 Series)

Made from a one-piece, seamless, 12 flute 5" round (127 mm) tube of extruded aluminum welded to a decorative cast-aluminum base incorporating an anchor plate. A maintenance opening is complete with decorative cast-aluminum cover in the same style as the pole and copper ground lug.

Benefits

- Built to withstand harsh environmental conditions
- Superior corrosion resistance
- Optimal strength and durability

Features

- Round fluted
- Aluminum construction
- Available in various heights ranging from 8' to 20'

Application

- Bridges, Monuments, Facades
- Road and Street
