

P5192 - enhancing your project's unique style

Poles (P5192)

The new P5100 series poles have been added to expand the flexibility of the P5000 series design. Larger in size, the P5100 series offers variable bolt patterns from 10" to 15" and offers higher EPA values as well as four different shaft styles to compliment almost any architectural style.

Benefits

- Built to withstand harsh environmental conditions
- Superior corrosion resistance
- Optimal strength and durability

Features

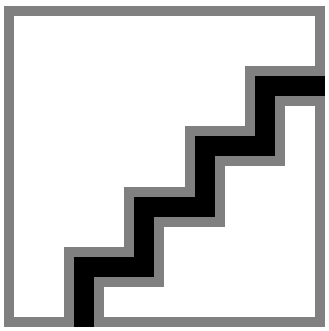

- Round Tapered Fluted Aluminum Pole
- Available in heights of 12', 14', or 16'

Application

- Bridges, Monuments, Facades
- Road and Street

Poles (P5192)
