

## Sleek, compact look

### Sof-Tech Low Voltage Track Heads

Sof-Tech features die cast components with silicone rubber for aiming comfort. This series is available in both open back or fully enclosed versions, and two accessories may be used with the appropriate accessory holder.

#### Benefits

- These low voltage track fixtures offer quiet and reliable operation
- Available in both open back or fully enclosed versions

#### Features

- Socket boot of heat resistant silicone rubber decoratively covers the socket of the lamp
- Ultra-narrow vertical electronic transformer offers a compact, close-to-track look
- Optional accessory holder fits snugly into the face of the fixture

#### Application

- Fashion
- Food and Large Retailers
