

Square Lantern - blending traditional luminaire forms with modern lighting function

Square Lantern Small (L21)

Creating a warm and friendly ambience with its design while offering high-end technology. The LED Square Lantern draws on the designs of yesteryear in order to evoke a feeling of harmony and warmth in any project. This luminaire is another example of how Lumec melds feelings of old-time luminaires with modern lighting techniques and LED technology. This blend of form and function makes the Square Lantern luminaire an excellent choice for any environment. ~LT~a href="http://www.lumec.com/Lumec3Dv3/home/index_en.php" target="_blank"~GT~~LT~b~GT~Lumec3D: Online 3D Configurator~LT~/b~GT~~LT~/a~GT~
