

Superior performance, clean architectural style

Tangent Track Heads

Tangent Track, the smallest, most versatile line voltage track lighting system on the planet.

Benefits

- Infinite horizontal rotation for maximum aiming flexibility without “dead spots”
- Silent electronic transformer w/short circuit and over heat protection
- Tangent’s unique “lamp-forward” design positions the lamp face forward of the fixture housing for improved accessibility

Features

- Low voltage halogen and line voltage halogen luminaires available
- Fixture options include spots, floods, and adjustable suspended spots
- Solite® beam softening lens included
- Die-cast aluminum and stainless steel

Application

- Fashion
- Food and Large Retailers
