

New Oxford LED - offering a simple, modern take on the traditional lantern

New Oxford LED Post Top (VX022)

The Hadco New Oxford LED post top luminaire featuring cutoff optics, offers ideal performance for street lighting in residential and historic urban settings. Blending this style with Hadco's modular post top concept creates the flexibility for you to build your own look into the fixture.

Benefits

- Multiple distribution options and lumen packages suitable for several applications
- The Optical Rib globe disperses light for more uniform coverage while virtually reducing glare
- IP66 rated optical chamber and LED driver ensure lasting durability and reliability
- Dimming controls available for additional energy savings during off-peak hours

Features

- Multiple lumen packages available
- Color temperatures 4000K and 3000K are available.
- Type 2, 3, 3W, 4, and 5 optics available
- Dimming driver standard

Application

- Road and Street
- Arena and Sports
- Fountains and Pools
- Bridges, Monuments, Facades
