

LED General Purpose Garage & Canopy – compact & efficient, built to last

LED General Purpose Garage & Canopy GC

The LED Garage and Canopy light is slim and durable with a lightweight design, and provides you with a visually appealing lighting experience. This luminaire can be surface mounted directly to the ceiling or pendant mounted using rigid conduit. Its light-weight design with quick and easy mounting plate allows simple installation and hands-free wiring. Whether it's new construction, or a retrofit installation, the Garage and Canopy fixture will provide years of trouble free operation and keep you on budget.
