

# Professional results, affordable, and easy to install

## CorePro LED Downlight

The CorePro LED downlight family is Lightolier's low cost LED recessed downlight that meets Energy Star and Title-24 compliance for residential and light commercial spaces. The family's complete offering of IC/Airseal remodeler and IC/Airseal new construction frame-in kit allows CorePro to go beyond retrofit applications.

### Benefits

- Affordable solution for retrofit, new construction or remodeling
- Save up to 85% in energy cost compared to 65W & 75W incandescent light source
- Compatible with many Lightolier brand or competitive housings

### Features

- Architecturally pleasing white baffle trim design
- 4", 5" & 6" aperture sizes with 10 total lumen configurations to chose from
- Wet location listing for shower light applications
- Flexible springs allow for tool-less installation

### Application

- Residential
- Food and Large Retailers
- Hospitality
- Petrol and Convenience
