

Professional results, affordable, and easy to install

CorePro LED Downlight

The CorePro LED downlight family is Lightolier's low cost LED recessed downlight that meets Energy Star (5" version not Energy Star rated) and Title-24 compliance for residential and light commercial spaces. The family's complete offering of IC/Airseal remodeler and IC/Airseal new construction frame-in kit allows CorePro to go beyond retrofit applications.

Benefits

- Affordable solution for retrofit, new construction or remodeling
- Save up to 85% in energy cost compared to 65W & 75W incandescent light source
- Compatible with many Lightolier brand or competitive housings

Features

- Architecturally pleasing white baffle trim design
- 4", 5" & 6" aperture sizes with 10 total lumen configurations to choose from
- Wet location listing for shower light applications
- Flexible springs allow for tool-less installation

Application

- Residential
- Food and Large Retailers
- Hospitality
- Petrol and Convenience
