Stonco

Floodlights

General
purpose flood

Versatile & stylish for a wide range of applications

The **Philips Stonco LED General purpose floodlights** offer energy saving LED technology for long life and reduced maintenance.

With five complementary sizes to choose from, these floodlights provide uniform illumination, simplified installation, and a rugged robust design. Mounting is made easy with flexibility for ground mount, wall mount, or pole mount installations. They are an Ideal choice for sign lighting, building facades, security lighting, and general purpose floodlighting applications.

Energy savings don't get better than this – up to 79% savings compared to HID*.

* Based on comparison between 150W PSMH luminaires (at 190W) and FL40-NW-G1-K-FL-8-BZ (at 39W).
