

Lineco TMS022

GMS022 1/2 36 R

GMS022, 36 W

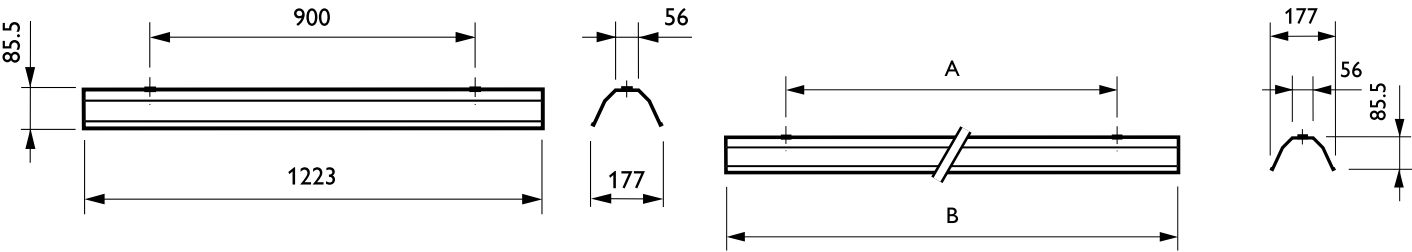

Lineco TMS022 is a functional and economical surface-mounted batten for 1 or 2 TL-D fluorescent lamps. It offers a choice of two optics, for symmetrical and asymmetrical lighting. Installation is quick and tool-less and can be carried out single-handedly. The repositionable contact block enables flexible connection (with cable entry centrally or via the end caps). A wide range of snap-on attachments is available.

Product data

General Information		Full product code		871155920796499
Product family code	GMS022 [GMS022]	Order code	910400620518	
Operating and Electrical		Material Nr. (12NC)	910400620518	
Product Data		Numerator - Quantity Per Pack	1	
Power Consumption	36 W	EAN/UPC - Product/Case	8711559207964	
Order product name	GMS022 1/2 36 R	Numerator - Packs per outer box	5	
Full product name	GMS022 1/2 36 R	EAN/UPC - Case	8711559200071
