

# Mini 300 Cube DBP300

## ZBP300 IP WH

IP WH, White

In today's environment of continuous innovation, it's not often that a genuine breakthrough in technology is made. But that's exactly what the new Mini 300 is. Mini 300 is an innovation from Philips with the latest technology of optics that improves the efficiency of the total lighting system. It is suitable to be applied in various types of lighting installations, be it for indoor or outdoor applications. Here are more reasons why Mini 300 is amongst one of Philips' many best-in-class lighting solutions. Less energy consumption Mini 300's high efficiency even helps you save your operating and maintenance costs, resulting in a significantly lower cost of ownership. Excellent colour rendering Mini 300's unparalleled 'daylight' colour rendering of Ra 96 creates an inviting atmosphere. Compact design A smaller lamp means smaller housing and smaller cut out dimensions for a more compact, stylish installation. Enhanced safety Mini 300's specially engineered louvers shield people's eyes from the burner, reducing glare and allowing for clearer vision. More corporate identity With the high colour rendering and a colour temperature that creates a daylight impression (4,200K), people see your true corporate colours as you intended. More sparkle The Mini 300's minute burners are reflected on surfaces as tiny pinpoints of light, making things look brighter and cleaner. Easier cleaning Mini 300 is IP65, which means that it is well sealed, moreover it is jet and dust proof for easy hose spray cleaning. Many mounting possibilities The new Mini 300 can be recessed or surface mounted in the canopy, or on poles and walls. Easy installation and maintenance It takes just one man and 10 minutes to install. Simply hang the luminaire with the provided mounting accessories, make the electrical connection, and swing the luminaire into its locking position. Couple this with Mini 300's outstanding light output ratio of up to 85% and you can

### Product data

Mini 300 Cube DBP300

General Information	
Accessory colour	White
Product family code	ZBP300 [IP WH]
Product Data	
Order product name	ZBP300 IP WH
Full product name	ZBP300 IP WH
Full EOC	869065318129800
Local code description	ZBP300IPWH

Order code	18129800
Material no. (12 NC)	910400793201
Local order code	ZBP300IPWH
SAP numerator – quantity per pack	1
EAN/UPC – Product/Case	8690653181298
Numerator – packs per outer box	1
EAN/UPC – Case	8690653181298
