

Mini 300 Cube DGP300

ZGP300 MBP-T L1195 SI

TP/6 SI, Silver

Mini 300 Cube is an extremely efficient low-glare luminaire specially designed for downlighting. The efficiency is achieved by a special optic coating, which reflects 97% of the light, and by the use of CDM-TD 4200 K lamps. The combination of this lamp and the white-coated reflector creates an inviting atmosphere with color rendering of 96. Mini 300 Cube delivers a uniform light distribution with an asymmetric or bi-directional beam creating outstanding illuminances in industrial and retail environments. The range comprises versions for recessed (DBP300), surface mounted (DCP300) and post/wall mounted (DGP300). Within the Mini 300 product family there is also a dedicated floodlight version (Mini 300 Stealth). Mini 300 is also available in LED versions (Mini 300 LED) in high efficiency for substantial energy savings.

Product data

General Information			
Accessory color	Silver	Order code	910400793401
Product family code	ZGP300 [TP/6 SI]	Material Nr. (12NC)	910400793401
Value ladder	Performance	Numerator - Quantity Per Pack	1
		EAN/UPC - Product/Case	8719514158498
		Numerator - Packs per outer box	1
		EAN/UPC - Case	8719514158498
Product Data
