

# Lineco TMS022

## ZMS022 MB-UK

### ZMS022

Lineco TMS022 is a functional and economical surface-mounted batten for 1 or 2 TL-D fluorescent lamps. It offers a choice of two optics, for symmetrical and asymmetrical lighting. Installation is quick and tool-less and can be carried out single-handedly. The repositionable contact block enables flexible connection (with cable entry centrally or via the end caps). A wide range of snap-on attachments is available.

### Product data

General Information		Material Nr. (12NC)	
Product family code	ZMS022 [ZMS022]	Numerator - Quantity Per Pack	1
Product Data		EAN/UPC - Product/Case	8711559117577
Order product name	ZMS022 MB-UK	Numerator - Packs per outer box	50
Full product name	ZMS022 MB-UK	EAN/UPC - Case	8711559117775
Full product code	871155911757799		
Order code	910402213403
