EFix TCS260

TCS260 2x35-80W HFPI C6 SI

EFix surface mounted, 2, 35 W, 49 W, 80 W, HF Performer Intelligent, High-gloss optic double parabolic closed

The EFix TL5 luminaire range is a dedicated, affordable choice of innovative lighting that enables massive energy savings to be made when old electromagnetic installations are replaced by the latest Philips technology. The range's optical performance complies with the latest EN-12464 norms, ensuring improved lighting quality in every application. Used in combination with high-frequency gear, Philips MASTER TL5 lamps enable substantial energy savings to be made. These savings can be further increased by using a Luxsense daylight controller integrated into the luminaire. The practical design of EFix combines both surface-mounted (TCS260) and suspended (TPS262) luminaires in one design. Thanks to the luminaire's easily removable top cover, the beam can be adjusted to provide direct or direct/indirect lighting. EFix is supplied with lamps and is ready to install, minimizing installation time. EFix recessed TBS260 completes Philips' range of luminaires for general lighting applications in offices and shops.

Product data

General Information

Lamp family code	TL5 [TL5]
Gear	HFPi [HF Performer Intelligent]
Product family code	TCS260 [EFix surface mounted]
Value ladder	Performance
Embedded control	–
CE mark	Yes
Flammability mark	For mounting on normally flammable surfaces

Light Technical

Number of light sources	2
Optic type	High-gloss optic double parabolic closed
Optical cover type	–

Operating and Electrical

Input Voltage	220 to 240 V
Power Consumption	35 49 80 W

EFix TCS260

Mechanical and Housing

Fixation point length distance (Nom)	1,300 mm
Housing Color	Silver
Overall length	1,541 mm

Approval and Application

Ingress protection code	IP20 [Finger-protected]
Protection class IEC	Safety class I

Application Conditions

Suitable for random switching	Not applicable

Product Data

Order product name	TCS260 2x35-80W HFPI C6 SI
Full product name	TCS260 2x35-80W HFPI C6 SI
Full product code	872790061332200
Order code	910402463112
Material Nr. (12NC)	910402463112
Numerator – Quantity Per Pack	1
EAN/UPC – Product/Case	8727900613322
Numerator – Packs per outer box	1
EAN/UPC – Case	8727900613322
