

EFix TPS262

TPS262 1x80W/840 HFP D6 SMT WH

EFix suspended mounted, 1, 80 W, 840 neutral white, HF Performer, Semi-high-gloss optic double parabolic, White

The EFix TL5 luminaire range is a dedicated, affordable choice of innovative lighting that enables massive energy savings to be made when old electromagnetic installations are replaced by the latest Philips technology. The range's optical performance complies with the latest EN-12464 norms, ensuring improved lighting quality in every application. Used in combination with high-frequency gear, Philips MASTER TL5 lamps enable substantial energy savings to be made. These savings can be further increased by using a Luxsense daylight controller integrated into the luminaire. The practical design of EFix combines both surface-mounted (TCS260) and suspended (TPS262) luminaires in one design. Thanks to the luminaire's easily removable top cover, the beam can be adjusted to provide direct or direct/indirect lighting. EFix is supplied with lamps and is ready to install, minimizing installation time. EFix recessed TBS260 completes Philips' range of luminaires for general lighting applications in offices and shops.

Product data

General Information		Glow-wire test	
Lamp family code	TL5 [TL5]	Temperature 850 °C, duration 5 s	
Gear	HFP [HF Performer]	Light Technical	
Service tag	Yes	Number of light sources	1
Product family code	TPS262 [EFix suspended mounted]	Light source color	840 neutral white
Embedded control	-	Optic type	Semi-high-gloss optic double parabolic
CE mark	Yes	Optical cover type	-
Flammability mark	For mounting on normally flammable surfaces	Operating and Electrical	
ENEC mark	ENEC mark	Input Voltage	220 to 240 V

EFix TPS262

Power Consumption	80 W
Cable	-

Mechanical and Housing

Housing Color	White
Overall length	1,541 mm

Approval and Application

Ingress protection code	IP20 [Finger-protected]
Protection class IEC	Safety class I

Application Conditions

Suitable for random switching	Not applicable
