## RCS350 3C L1000 WH

Normal, RCS350

A 3-circuit track system that has an aluminium profile in painted white, available in lengths of 1, 2 and 3 meters. It contains four electrical conductors allowing easy creation for any required configuration. All luminaires have their separate power supply and can be switched on selectively by phase or by circuit. The luminaires are easy to be relocated, by simply clicking on the track's adaptor. Thus, product presentation and lighting changes can be made very simple. All 220-240V projectors (3C) in the Philips range can be installed on this track system.
