

ArenaVision MVF403 C

MVF403 C MHN-LA1000W 220-240V A7 UP (CN)

MASTER MHN-LA, 1000 W, Front-glass uplighting version

Since it was first introduced in 1988, Philips ArenaVision has proven to be the best floodlighting system ever for sports lighting applications, most of which have to fulfill the highest specifications to enable television coverage of national and international events. ArenaVision is an integrated system that is supplied by one manufacturer as part of a complete system. Philips is the only manufacturer to provide all relevant technologies from lamp to gear to floodlight, so that everything works in synergy. With ArenaVision, the key disciplines of lamp, optic and gear design were brought together with a single mission: to create the best possible floodlight that will operate effectively for many years. ArenaVision MVF403 is ideal for indoor sports halls as well as many outdoor sports and other illumination uses. It comes with a variety of reflectors and lamps and offer a choice of optical systems and three levels of power output for every conceivable application.

Product data

General Information		Operating and Electrical	
Lamp family code	MHN-LA [MASTER MHN-LA]	Input Voltage	220 to 240 V
Gear	CONV [Conventional]	Line Frequency	50 Hz
Value ladder	Specification	Power Consumption	1,000 W
Light Technical		Approval and Application	
Number of light sources	1	Ingress protection code	IP65 [Dust penetration-protected, jet-proof]
Optical cover type	Front-glass uplighting version	Product Data	
Optic type outdoor	Beam category A7	Order product name	MVF403 C MHN-LA1000W 220-240V A7 UP (CN)

ArenaVision MVF403 C

Full product name	MVF403 C MHN-LA1000W 220-240V A7 UP (CN)
Full product code	910403346401
Order code	910403346401
Material Nr. (12NC)	910403346401

Numerator - Quantity Per Pack	1
Numerator - Packs per outer box	1
