

CitySpirit Cone LED BDS470 C

BDS470 C LED-HP/WW 220-240V TB IO

LED High Power, Indirect optic

CitySpirit is a range of street-lighting luminaires designed to provide excellent, environmentally friendly lighting without compromising on architectural appearance. The distinctive designs are clearly linked yet allow modularity. To ensure perfect integration in the urban streetscape, the luminaire, mast and bracket of CitySpirit have been developed as one design. The range provides elegant and above all complete project solutions. Furthermore, transparent materials have been used to lighten the daytime appearance. CitySpirit incorporates several optical concepts, which address issues such as spacing, night preservation, visual comfort and light trespass. All CitySpirit indirect versions are retrofit luminaires, which can be equipped with conventional or LED light sources. In combination with different optical reflectors they deliver indirect high-quality warm white light. CitySpirit indirect LED has an upgradeable LED light engine, which ensures future-proof performance. Together with its constant light output and dimming functionality, the LED version ensures the highest operational efficiency. The range further comprises Cone, Torch, Street and Street Color models.
