

## DecoScene LED BBP623

## BBP623 34xLED-HB/RGB I WB GF GR DMX RMR

## DecoScene LED Accent, 34, LED High Brightness, Wide beam, Glass frosted, Dynamic DMX, Recessed mounting box round

Whether floodlighting a piece of architecture or creating accent effects, for many designers the ideal luminaire would be invisible. With their recessed housings, inground floodlights are about as close as it gets to this ideal situation. DecoScene LED has been designed to deliver the optimal upward lighting effect - from highpowered floodlighting to more subtle effects such as accent lighting. Its unique collimating optic delivers a uniform light output. Round housing fits snugly into paving, concrete or grass, leaving the surface flush and unobtrusive during the day. The combination of the LED technology and best-in-class optics makes DecoScene LED a totally flexible solution - easy to install, no matter where, and creating a perfect lighting effect.

Product data

| General Information |  |  | value also represents the B10 value. ${ }^{*}$ At |
| :---: | :---: | :---: | :---: |
| Lamp family code | LED-HB [LED High Brightness] |  | extreme ambient temperatures the luminaire |
