# **PHILIPS** Lighting

# CoreLine Wallmounted

# WL121V LED5S/830 PSU MDU WH

CoreLine Wall-mounted, LED Module, system flux 500 lm, 830 warm white, Power supply unit regulating, Movement detection unit, White

CoreLine wall-mounted solutions deliver on the CoreLine promise of innovative, easy-to install and high quality luminaires. These circular-shaped, surface-mounted luminaires are suitable for both ceiling and wall installations and are easy to apply in circulation areas such as corridors, hallways and staircases. The modern, unobtrusive design, combined with a homogeneous light distribution, ensures this luminaire will blend into the architecture of most buildings. And thanks to the push-in connectors, installation of the CoreLine WL140V is fast and straightforward. This family includes Interact ready luminaires with integrated wireless communications, ready for use with Interact gateways, sensors and software.

#### **Product data**

| General Information      |  |
|--------------------------|--|
| Lamp family code         | LED5S [LED Module, system flux 500 lm]             |
| Light source replaceable | No   |
| Number of gear units     | 1 unit   |
| Driver included          | Yes  |
| Remarks                  | *-Per Lighting Europe guidance paper               |
|                          | "Evaluating performance of LED based               |
|                          | luminaires - January 2018": statistically there is |
|                          | no relevant difference in lumen maintenance        |
|                          | between B50 and for example B10. Therefore,        |
|                          |  |

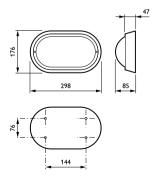

|                     | the median useful life (B50) value also     |
|---------------------|---|
|                     | represents the B10 value.                   |
| Product family code | WL121V [CoreLine Wall-mounted]              |
| Lighting Technology | LED   |
| Glow-wire test      | Temperature 850 °C, duration 30 s           |
| Flammability mark   | For mounting on normally flammable surfaces |
| CE mark             | Yes   |
| ENEC mark           | ENEC mark                                   |
| Warranty period     | 3 years + 2 years upon registration         |
| EU RoHS compliant   | Yes   |
| Value ladder        | Performance                                 |

## **CoreLine Wall-mounted**

| Embedded control                   | Movement detection unit               |
|------------------------------------|---------------------------------------|
|                                    |                                       |
| Light Technical                    |                                       |
| Luminous Flux                      | 500 lm                                |
| Correlated Color Temperature (Nom) | 3000 K                                |
| Luminous Efficacy (rated) (Nom)    | 63 lm/W                               |
| Color rendering index (CRI)        | 80                                    |
| Number of light sources            | 1                                     |
| Beam angle of light source         | 120 degree(s)                         |
| Light source color                 | 830 warm white                        |
| Optic type                         | Symmetrical                           |
| Luminaire light beam spread        | 180°                                  |
| Operating and Electrical           |                                       |
| Input Voltage                      | 220 to 240 V                          |
| Line Frequency                     | 50 to 60 Hz                           |
| Inrush current                     | 4 A                                   |
| Inrush time                        | 0.37 ms                               |
| Power Consumption                  | 8 W                                   |
| Power Factor (Fraction)            | 0.95                                  |
| Connection                         | Push-in connector and pull relief     |
