

# **Maxos LED Performer**

# 4MX900 LED60S/840 PSD-CLO MB WH L1800

Maxos LED Performer, Generation 3, LED Module, system flux 6000 lm, 840 neutral white, Power supply unit with DALI interface and constant light output, Medium beam, White

Customers want to save energy and reduce cost compared to what they are used to with conventional lighting. At the same time, excellent lighting conditions are needed: in industrial environments, to guarantee safety and productivity; and in retail environments, to make the merchandise stand out and attract shoppers. Maxos LED Performer is an extremely flexible solution that delivers low energy consumption and excellent beam shaping at an attractive investment level.

#### **Product data**

| General Information      |   |
|--------------------------|---|
| Lamp family code         | LED60S [LED Module, system flux 6000 lm]        |
| Light source replaceable | No  |
| Number of gear units     | 1 unit  |
| Driver included          | Yes   |
| Remarks                  | *-Per Lighting Europe guidance paper            |
|                          | "Evaluating performance of LED based            |
|                          | luminaires - January 2018": statistically there |
|                          | is no relevant difference in lumen              |
|                          | maintenance between B50 and for example         |
|                          | B10. Therefore, the median useful life (B50)    |
|                          | value also represents the B10 value.            |
| Service tag              | Yes   |
| Product family code      | 4MX900 [Maxos LED Performer]                    |
| Lighting Technology      | LED   |
| Value ladder             | Performance                                     |
|                          |   |

| Embedded control                   | Constant light output             |
|------------------------------------|-----------------------------------|
| CE mark                            | Yes                               |
| Warranty period                    | 5 years                           |
| Flammability mark                  | -                                 |
| ENEC mark                          | ENEC mark                         |
| Glow-wire test                     | Temperature 650 °C, duration 30 s |
| EU RoHS compliant                  | Yes                               |
|                                    |                                   |
| Light Technical                    |                                   |
| Luminous Flux                      | 6,000 lm                          |
| Correlated Color Temperature (Nom) | 4000 K                            |
| Luminous Efficacy (rated) (Nom)    | 145 lm/W                          |
| Color rendering index (CRI)        | ≥80                               |
| Number of light sources            | 1                                 |
| Beam angle of light source         | 120 degree(s)                     |
| Light source color                 | 840 neutral white                 |
