## GreenSpace

### DN470B LED20S/830 PSE-E C D7 WH

GreenSpace, 28.2 W, 2150 lm, 3000 K, DALI

GreenSpace is a perfect solution where customers want to strike the ideal balance between their initial investment and the cost of the installation during its lifetime while they are covering multiple applications. GreenSpace features the latest LED technology which enables extremely low power consumption. With its perfect fit you'll get the LED downlight that always fits and looks perfect at the same time. This perfect fit is available for cut out sizes from 150 to 280 mm. GreenSpace is designed for Circular Economy with optimized performance, extended lifetime through upgradability and integration options, ease of customization, recycling and disassembly. Housing and rim are made from production waste of polycarbonate sheets that are retrieved from swimming pools, car ports and illuminated advertising. And the product's long lifetime makes it a true 'fit and forget' solution.

#### **Product data**

| General Information      |   |
|--------------------------|---|
| Lamp family code         | LED20S [LED Module, system flux 2000 lm]        |
| Cap-Base                 | - [-]   |
| Light source replaceable | No  |
| Number of gear units     | 1 unit  |
| Gear                     | -   |
| Driver included          | Yes   |
| Remarks                  | *-Per Lighting Europe guidance paper            |
|                          | "Evaluating performance of LED based            |
|                          | luminaires - January 2018": statistically there |
|                          | is no relevant difference in lumen              |
|                          | maintenance between B50 and for example         |
|                          | B10. Therefore, the median useful life (B50)    |
|                          | value also represents the B10 value.            |

| Product family code                | DN470B [200mm]                     |
|------------------------------------|------------------------------------|
| Lighting Technology                | LED                                |
| Value ladder                       | Specification                      |
| CE mark                            | Yes                                |
| Warranty period                    | 5 years                            |
| Flammability mark                  | For mounting on normally flammable |
|                                    | surfaces                           |
