

# SmartBalance, recessed

### RC482B LED35S/840 PSD W62L62 VPC W

SmartBalance module 625, LED Module, system flux 3500 lm, 840 neutral white, Power supply unit with DALI interface, Plugin connector 3-pole Wieland/Adels compatible

Many people are keen to apply recessed luminaires with a surface of light as an alternative to louver-type solutions. At the same time they expect the luminaires to be office norm-compliant as well as highly energy-efficient. Meeting all relevant office norms, SmartBalance recessed is the next step in surface-of-light recessed luminaires for the specification market. Thanks to state-of-the-art LED technology it not only offers increased energy efficiency compared with fluorescent, but is also visually appealing without being intrusive. For those looking for an exciting design element there are versions with inner masking. SmartBalance is also available in surface-mounted, suspended and free floor-standing versions.

#### **Product data**

| General Information      |   |
|--------------------------|---|
| Lamp family code         | LED35S [LED Module, system flux 3500 lm]        |
| Cap-Base                 | - [-]   |
| Light source replaceable | No  |
| Number of gear units     | 1 unit  |
| Driver included          | Yes   |
| Remarks                  | *-Per Lighting Europe guidance paper            |
|                          | "Evaluating performance of LED based            |
|                          | luminaires - January 2018": statistically there |
|                          | is no relevant difference in lumen              |
|                          | maintenance between B50 and for example         |

|                     | B10. Therefore, the median useful life (B50) |
|---------------------|--|
|                     | value also represents the B10 value.         |
| Product family code | RC482B [SmartBalance module 625]             |
| Lighting Technology | LED  |
| Glow-wire test      | Temperature 650 °C, duration 5 s             |
| Flammability mark   | For mounting on normally flammable           |
|                     | surfaces                                     |
| CE mark             | Yes  |
| ENEC mark           | ENEC plus mark                               |
| Warranty period     | 5 years                                      |
| EU RoHS compliant   | Yes  |
|                     |  |
