## DCP608 CDM-TSA150W K EB GOBO DSHT

PROFLOOD, 150 W

PROflood is a waterproof projector allowing both image projection and creative light framing – a powerful tool that gives display lighting designers great creative freedom. PROFLOOD makes its mark in many different ways. It highlights the most attractive architectural and natural features of the city. It can create a welcoming, safe and intriguing ambience. It is ideal for drawing attention to retail displays. And it can be used to great effect supporting and enlivening cultural events and special occasions. Its output can be adjusted to precisely match the surroundings or to create a particular effect. Colour Solgel filters are available to bring a touch of colour to the projected light, while textured glass screens create specific lighting effects.

### Product data

General Information		Approval and Application	
Gear	EB [Electronic]	Ingress protection code	IP66 [Dust penetration-protected, jet-proof]
Product family code	DCP608 [PROFLOOD]	Mech. impact protection code	IK09 [10 J]
CE mark	Yes	Protection class IEC	Safety class II
ENEC mark	-		
Light Technical		Product Data	
Light source colour	942 neutral white	Order product name	DCP608 CDM-TSA150W K EB GOBO DSHT
		Full product name	DCP608 CDM-TSA150W K EB GOBO DSHT
		Full EOC	871155984528900
		Local code description	DCP608KGOBODSHT
Operating and Electrical		Order code	84528900
Input Voltage	230 to 240 V	Material no. (12 NC)	910502145618
Power Consumption	150 W	Local order code	DCP608KGOBODSHT
Mechanical and Housing		SAP numerator – quantity per pack	1
Housing Colour	Grey	EAN/UPC – Product/Case	8711559845289
		Numerator – packs per outer box	1
