

PROflood

DCP608 CDM-TSA150W K EB GOBO DSHT

PROFLOOD, 150 W

PROflood is a waterproof projector allowing both image projection and creative light framing – a powerful tool that gives display lighting designers great creative freedom. PROFlood makes its mark in many different ways. It highlights the most attractive architectural and natural features of the city. It can create a welcoming, safe and intriguing ambience. It is ideal for drawing attention to retail displays. And it can be used to great effect supporting and enlivening cultural events and special occasions. Its output can be adjusted to precisely match the surroundings or to create a particular effect. Color Solgel filters are available to bring a touch of color to the projected light, while textured glass screens create specific lighting effects.

Product data

General Information		Mechanical and Housing	
Gear	EB [Electronic]	Housing Color	Grey
Product family code	DCP608 [PROFLOOD]		
CE mark	Yes	Approval and Application	
ENEC mark	-	Ingress protection code	IP66 [Dust penetration-protected, jet-proof]
		Mech. impact protection code	IK09 [10 J]
		Protection class IEC	Safety class II
Light Technical		Product Data	
Number of light sources	1	Order product name	DCP608 CDM-TSA150W K EB GOBO DSHT
Light source color	942 neutral white	Full product name	DCP608 CDM-TSA150W K EB GOBO DSHT
		Full product code	871155984528900
Operating and Electrical		Order code	910502145618
Input Voltage	230 to 240 V	Material Nr. (12NC)	910502145618
Power Consumption	150 W	Numerator - Quantity Per Pack	1
		EAN/UPC - Product/Case	8711559845289

Numerator - Packs per outer box	1
EAN/UPC - Case	8711559845289
