

Iridium SGS252/452

SGS452 CDO-TT100W K II OR PC AL 7035 SND

IRIDIUM, MASTER CityWhite CDO-TT, 100 W, Open CT-POT, Polycarbonate bowl/cover

Iridium is a family of road-lighting luminaires designed for three main applications – residential areas and minor roads, major roads and motorways. Its modularity allows the integration of optical or electronic components in order to adapt to the changing demands of road lighting, e.g. the growing demand for white light and controls. Iridium ensures low cost of ownership thanks to its superior optics, dimming and Telemanagement capability, and ease of installation and maintenance. The Iridium luminaire family includes MASTERColour CDM Elite MW, CosmoPolis and LED-enabled versions. It comes in four different sizes – for mounting heights from 3.5 to 12 meters – and is suitable for side-entry and post-top mounting. A full range of brackets ensures visual consistency between the column and the gently rounded luminaire, making Iridium a total solution. Each Iridium luminaire is fully recyclable; only the light source and driver have to be recycled separately.

Product data

| General Information | | Optical cover type | |
|--------------------------------|----------------------------------|---------------------------------|--|
| Lamp family code | CDO-TT [MASTER CityWhite CDO-TT] | Polycarbonate bowl/cover | |
| Gear | CONV [Conventional] | Optic type outdoor | |
| Product family code | SGS452 [IRIDIUM] | Open CT-POT | |
| CE mark | Yes | Operating and Electrical | |
| ENEC mark | ENEC mark | Input Voltage | |
| Light Technical | | 230 V | |
| Standard tilt angle posttop | 5° | Power Consumption | |
| Standard tilt angle side entry | 5° | 100 W | |
| Number of light sources | 1 | Cable | |
| | | - | |
| | | Mechanical and Housing | |
