

Metronomis Berlin

CDS570 SON150W K 240V II A TP GR SND

METRONOMIS 1, SON, 150 W, Asymmetrical, Transparent bowl with painted cover

Metronomis is a family of ten highly distinctive luminaires and dedicated supports (masts and brackets), which can be used with a wide variety of optics to provide architects and lighting designers with the total solution needed to create a unified, consistent lighting design that still reflects the differences in urban culture and history. In its daytime appearance, Metronomis integrates harmoniously with any street scene, while its night-time appearance is both functional – guiding people and traffic safely through the city – and decorative, creating a pleasant ambience in city squares and pedestrian precincts. As the current range is based on conventional light sources, four highly innovative, LED-dedicated designs have been developed, echoing the original silhouette but retaining flexibility and modularity as key characteristics. The Metronomis LED range offers a number of new ways to personalize your urban projects. Please check out the Metronomis LED luminaire variants.

Product data

General Information	
Lamp family code	SON [SON]
Gear	CONV [Conventional]
Product family code	CDS570 [METRONOMIS 1]
Embedded control	-
CE mark	Yes
ENEC mark	ENEC mark
Glow-wire test	Temperature 850 °C, duration 5 s

Light Technical	
Number of light sources	1
Optical cover type	Transparent bowl with painted cover
Optic type outdoor	Asymmetrical

Operating and Electrical	
Input Voltage	240 V
Power Consumption	150 W

Metronomis Berlin

Mechanical and Housing

Housing Color	Grey
---------------	------

Approval and Application

Ingress protection code	IP65 [Dust penetration-protected, jet-proof]
-------------------------	--

Mech. impact protection code	IK09 [10 J]
------------------------------	-------------

Protection class IEC	Safety class II
