

Europa 2

GBS120 P

EUROPA 2

Europa 2 is a fixed recessed downlight for compact fluorescent PL-C lamps with highly efficient optics and automatic fixing clips for quick and easy installation. These downlights are available in two formats and can be fitted with a prismatic light control panel, opal cover, clear front panel or glare-control louver. Europa 2 is available in a ready-to-install kit version.

Product data

General Information		Material Nr. (12NC)	
Product family code	GBS120 [EUROPA 2]	Numerator - Quantity Per Pack	1
Product Data		EAN/UPC - Product/Case	8711559662510
Order product name	GBS120 P	Numerator - Packs per outer box	1
Full product name	GBS120 P	EAN/UPC - Case	8711559662510
Full product code	871155966251000		
Order code	66251000
